

**Walden's Puddle** provides care and treatment to sick, injured and orphaned native Tennessee wildlife. We do not charge for services and receive no federal or state funding at this time.

## WE NEED YOUR HELP

Recently, a fire burned at Walden's Puddle. Staff and volunteers have been on-site non-stop caring for the animals that were saved and cleaning the facility, but recovery will take time and resources.

Everyone wants to pitch in, but **what we really need are donations.** Donations are tax deductible, and every bit helps. We also want to express our deep gratitude for your continued support. For more information or to see our wish list, please visit us online.
